Jake E's Riding Round Up

Lion Jack Tyler and Lion Vice-President Theresa Drum thank Jana Ewing for her presentation about Jake E's Riding Round Up program. "Jake E's Riding Round Up" is a non-profit horse therapy healing center dedicated to improving the lives of people in the Kaufman-Van Zandt County and surrounding Northeast Texas areas. They serve adults and children with disabilities, wounded war vets, at-risk youth and countless others who can benefit from a therapeutic partnership with horses. Anyone interested in volunteering to work with the program or learning more about it should contact Ewing at 214-458-9578.
